

SP-119

VOC Exempt MRC / Fast-Dry Wash

Description

SP-119 is an **acetone free** blend containing VOC exempt solvents, formulated to be compliant with SCAQMD Rule 1171. It is a fast drying formula and will leave no oily residue for use as a fast drying metering roller cleaner or press wash for UV and conventional ink. SP-119 has a friendly odor with no harsh acetone, and is safe for nitrile and EPDM rollers and blankets.

Directions

Metering Rollers- While press is stopped, apply to the metering roller with a shop cloth and wipe clean.

Blankets: Apply SP-119 with a shop cloth and clean blankets with a back and forth motion in the usual manner.

Rollers: For small presses, apply a liberal amount to rollers, engage wash-up blade and repeat application until rollers are clean.

Features

- * Rule 1171 compliant, 92g/l VOC
- * Excellent metering roller cleaner and fast dry press wash
- *Cleans UV and conventional ink
- *Fast drying VOC exempt solvents
- *Leaves no oily residue
