

### SP-1000K Roller Maintenance Kit

Announcing the first of our Specialty Product Maintenance Kits, this is the SP-1000K Roller Maintenance Kit.

This handy kit includes:

- ❖ SP-500 Eco-Roller Cream
- ❖ SP-526 Super Calcium Remover
- ❖ SP-569 Rubber Revitalizer
- ❖ SP-596 Chrome Cleaner Desensitizer
- ❖ SP-574 Lube-A-Roll
- ❖ SP-520 Dampening Systems Cleaner

SP-1000K Roller Maintenance Kit comes packaged in a handy Nova canvas tote/cooler. You'll want this kit to keep your rollers in top condition – condition, clean, lube, and desensitize.

### SP-1010K Pressroom Specialty Kit

The second of our Specialty Product Maintenance Kits, is the SP-1010K Pressroom Specialty Kit. This handy kit includes:

- ❖ SP-579 Plate Clean and Stor
- ❖ SP-505 AGE Ashphaltum Gum Plate Etch and Finisher
- ❖ SP-515 Plate Cleaner / Scratch Remover
- ❖ SP-531 Command Clean All-Purpose Spray Cleaner
- ❖ SP-538 Anti-Skin (Non-Aerosol)
- ❖ SP-502 14° Be Gum Arabic

Included in each kit are MSDSs for each product along with a product information and instruction sheet. These two Specialty Kits are excellent sample kits for introducing your customers to these fine Nova pressroom accessory products. All products in the kits are also sold separately.
